THE BILLING PROCESS

Two types of billing statements:

1. **Registration bill** created once prior to the beginning of each semester

2. **Monthly bill** created by the 15th of each month and due at the beginning of the next month
The fall semester registration bill will be available online **July 23**, due **August 11**

Bills are available electronically 24/7 online in STUINFO, our online student information system portal [https://stuinfo.msu.edu](https://stuinfo.msu.edu)

Billing statements are static and do not change

All current and prior account activity can be viewed in STUINFO
MSU communicates all billing statements electronically. An email notification is sent to the student and any authorized guest(s) with a subject line of “MSU Billing Statement Notification”
CAN I GET ACCESS TO VIEW THE BILL?

Yes!!

Your student can authorize up to 4 guests to view the bill in StuInfo and receive the email notifications.

It’s easy! Just have your student go to the “Manage Guests” tab in StuInfo to add your name and email address.
Dear Dad Spartan,

This is an important message regarding MSU's Student Information System - StuInfo. You are receiving this message because you have been granted guest access to StuInfo by the following student:

- Spartan, Johnny

You should have received an email to set the initial password for your MSU Community ID account. Once you have set your password, you may access StuInfo: https://stuinfo.msu.edu. Enter your MSU Community ID (Sparty.John@msu.edu) and password at the login prompt. Reset or change your Community ID password at https://community.idm.msu.edu/selfservice. The activation link is available for two days. After that, you will have to reset or change your Community ID password using the link above.

After logging in to StuInfo the first time, you will be required to comply with guest access terms. To do so, enter your student's MSUNetID and your first and last name when presented with the FERPA statement.

The student who granted you guest access determines your permissions within the system. You have been granted access to the following StuInfo categories:

- Billing Services & Student Account
- Financial Aid
- University Loans
- Parent/Guardian Address 1
- Parent/Guardian Address 2
- Insurance Information Reporting
- Academic

Contact the IT Services Support desk for assistance with login questions at (517) 884-3000.
New guests will receive an email that includes a link to create your new MSU Community ID access. This link is only good for 2 days.

Current MSU employees will not receive this Community ID email link, you can log-in using your current NetID and password.
You are now ready to view your student’s account information

Go to:

stuinfo.msu.edu
Student Overview Screen
Billing statements are static and **do not** change.
Financial Aid vs. Anticipated Financial Aid

These transactions will be finalized once you have completed all required actions indicated in StulInfo - Financial Aid (Check Your Aid) and confirmed your attendance. Contact the Office of Financial Aid if you have any questions. Temporary non-financial aid transactions may also appear here.
