

Sponsor Billing Authorization Form

This form is for entities that wish to sponsor one or more students at MSU. A sponsor is an organization, not an individual. If your organization is providing a scholarship, employer reimbursement, Pre-paid College Savings or 529 Plan payment, do not use this form.

Sponsors complete this form once each year to specify the semesters and expenses to be covered. Forms and selections do not roll-over to the next academic year. A new contract year begins with each Fall semester, and includes that year's Fall, Spring, and Summer semesters.

A Sponsor Billing Authorization form must be completed by an authorized representative of the sponsor and submitted to the Student Accounts Office preferably by the following dates (based on the student's first semester of sponsorship that year):

<u>Semester Submission Due Dates</u>	Fall:	June 15 th
	Spring:	October 15 th
	Summer:	March 15 th

Sponsor invoices are generated after quarter-of-term each semester and monthly thereafter, as needed. These are delivered via email to the sponsor. Students also receive a separate monthly student bill that is used to identify the charges for which they are responsible. Sponsor and student payments are due by the invoice due dates.

Accurate responses ensure timely and accurate sponsor invoices. Please contact our office with questions or concerns before submitting this form (phone and email contact information appear in the header above). Vouchers or other supporting documents can be submitted to student.sponsor@ctrl.msu.edu, but do not replace this completed form. Vouchers and other supporting documents submitted to our office must include the sponsored student's full name and NET ID or EMPLID.

* The Sponsor Student Number is optional. It is a string that will appear on the sponsor invoice. It should be something useful to the sponsor: a sponsor's internal ID for the student, a purchase order number, etc., but NOT a Social Security Number. Note that the student's name, Student NET ID, and sponsor name will already appear on the invoice, and do not need to be entered here.
