

Airbnb for Work

With over 7 million listings worldwide, Michigan State University's partnership with Airbnb makes it easy for travelers to find the perfect place to stay. Get exclusive offers when you add a work email to your Airbnb profile:

- Utilize the Work filter on Airbnb.com to display rentals with high ratings from business travelers
- Save an average of 49% a night compared to traditional hotels when you book Airbnb for business travel
- Experience the comforts of home on the road by choosing from entire homes, boutique hotels, or serviced apartments
- With [Airbnb Experiences](#), get exclusive access to unique and creative team-building activities hosted by local experts like chefs, artists, and adventurers
- After connecting the Airbnb app to Concur, your itinerary and receipts for work trips will be sent to your Concur account to keep itineraries in one place and to streamline expensing
- Included in your reservation is a full range of safety and security practices such as reviews, insurance, background checks, and 24/7 global response assistance.
