How to Get Started
Visit Travel.msu.edu for detailed instructions on the travel process.

There are 3 simple steps:

1.) Build your Travel Profile
- Go to Travel.msu.edu to fill out the travel profile application.

2.) Pre-trip Authorization
- All travelers must fill out the pre-trip authorization form located on the front page of the Travel at State website.
- Must be completed and approved prior to departure and any travel related reservations/payments made.
- Why is this important? MSU Travel Accident Insurance is provided to all MSU travelers as long as there is proof they are on approved university travel.

3.) Booking and Paying for Travel
- **STEP 1:** Go to travel.msu.edu and click on Book Now
- **STEP 2:** Enter your MSU Net ID and password, click Concur Login
